A Special Note from the School Board

Mt. Zion Christian School wants to serve you and your family. The School Board's desire is to make sure every family is able to afford the tuition at our school. This is why the board created a tuition assistance program. Please see details on our tuition assistance program below. If you find yourself considering other education options because of money concerns, please contact our principal, Dan Clement, at the school office 262-248-5255, ext. 117.

Tuition Assistance

Tuition assistance is offered to families based solely upon the financial needs of the family and the financial resources of the school/church. Families must be willing to complete a CFA (Confidential Financial Analysis) application. CFA also requests a copy of your previous year income taxes return with the application. Applications must be submitted by May 15th for the upcoming school year to be fully considered.

You can apply directly at: www.cfslogin.com. CFA charges \$30.00 for online processing.

Volunteering is essential here at Mt Zion Christian School to help offset the cost of operating the school. MZCS is asking every family to volunteer in some capacity to benefit the school.

Nehemiah 4:6 "So we rebuilt the wall till all of it reached half its height, for the people worked with all their heart."
