Hebrews 11:1 "Faith is being sure of what you hope for
certain of what you do not see."

OPEN HOUSE

We had such a wonderful turnout for our open house. There was a lot of energy at MZCS on September 28th with new families, proud parents and students. If you would like to know how to get involved at MZCS, please see your child's teacher or call the office.

HOW SICK ARE YOU????

The cold and flu season has started already!!! Please keep your child home if they have a cough, runny nose, sore throat, etc. Even if they do not have a fever, keep them home. We try our best to disinfect and wipe down desks, lights, etc. A good night's sleep is an easy way for them not to become run down. Please teach your child to cough and sneeze into the corner of their elbow.

TEACHER CONVENTION

A few teachers will be attending a convention on Thursday and Friday next week in South Bend, Indiana. This annual convention always has great speakers, classes that provide new educational information, and great fellowship with other ACSI registered schools in the Mid-America region. We are able to attend this convention, because the Lake Geneva School District has given us a grant to provide for the cost of attending the convention and hotel accommodations. What a blessing that is!

PRAYER

Please keep Mr. Clement and Mrs. Knapp in your prayers. They are both having surgery on Wednesday morning, October 7th.

WARRIOR WALK-Friday, October 16th

Orange permission slip are due Monday. The form needs to be turned in **before the walk** in order to participate. Forms cannot be turned in the day of the walk. If you will be walking, let us know on your child's form. With the students off from school the end of next week for, this would be the perfect time to mail those letters, walk the neighborhood and contact area businesses for support.

FIRE PREVENTION WEEK

Next week is Fire Prevention Week. Teachers will be discussing fire prevention in the classroom. The fire department will be here Wednesday, October 7th at 11:00.

QUESTIONS FOR YOUR TEACHER

Parents, if you have questions regarding your child's assignments, projects or how they are doing, please call the school office and set-up a time to either talk to the teacher with a phone call or a meeting. The teachers are short on time in the morning and at dismissal, and they would like to talk with you with no interruptions and also be able to prepare for the school day. Thank you!!!

CHAPEL SPEAKERS

MZCS is looking for chapel speakers for the second semester. If you know a speaker who could bless the children, contact Mrs. Magnuson.

GIRLS DRESS CODE

Leggings are ok to wear as long as the top is loose and flowing and the length is to the middle thigh.

JACKETS, JACKETS, JACKETS

Please make sure your child wears a jacket or sweatshirt everyday. Everyone goes out for recess if its not raining.
