

MT ZION CHRISTIAN SCHOOL

WARRIOR WALK

Dear Friend or Family Member of Mt Zion Christian School,

The MZCS 2021-2022 school year is under way, and students are very excited to participate in our Annual Warrior Walk! Our theme for the year is taken from James 3. "Wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere"

We are proud to be a school that strives for academic excellence, as well as strong Christian Character development. In order to keep our tuition affordable, we count on your partnership. We are happy to announce that, as a result of team effort between parents, teachers, Mt Zion Christian church, and the community, we have met our goals for this fundraiser over the past several years!

We are asking for your assistance with this campaign. Will you support this event as students, parents, and staff members prepare to walk the Geneva Lake Path to raise funds for our school? Many will make the full 25 mile journey, while the younger students have the option to participate in a 3 mile, 7 mile, or 14 mile path. Donations will be collected through October 30th. Please be in prayerful consideration to be a part of our Warrior Walk this year through your tax deductible donation.

Thank you!
